Palm Beach Currumbin State High (PBC) is located on the beautiful Gold Coast in South East Queensland, Australia.

Imagine 35 acres of extraordinary land on the doorstep of the Pacific Ocean, bordered by a river, and within easy walking distance to one of the world's best surfing beaches. It is little wonder that the unmatched setting of PBC has made it one of the most popular international schools in Queensland.

As a large school, we have the distinct advantage of offering a wide range of diverse programs and opportunities, delivered by highly trained and experienced teachers, and using state-of-the-art technology, including the internet, multimedia equipment, aquaculture centre and laboratories.

At PBC, we believe in recognition and celebration of hard work, effort and high achievement in all areas of schooling. We offer students a wide range of activities and experiences not available at any other Gold Coast school.
