Sunnybank State School is a coeducation school of medium size, it caters for Prep to Year 6 students. It has a highly supportive environment with teachers, pastoral coordinators, and support staff working together to offer the students a well-rounded academic and cultural experience. The school enjoys strong links with Sunnybank State High School and Griffith University.

Three reasons to choose Sunnybank State School

- Sunnybank caters for a wide range of abilities, many students come from around the world and enjoy learning English in a supportive environment
- We offer a wide range of extracurricular activities, students have many opportunities to take part in sporting and academic events
- The range of cultures in our school helps students to understand and support diversity.
