**LOCAL AREA FEATURES**
Alstonville High School is located in the lovely village of Alstonville on a plateau overlooking the eastern coast of Australia. The North Coast is one of Australia's most popular tourist locations because of our wonderful beaches, pristine rainforests and picturesque villages.

Alstonville is centrally located to all of these things, and is only a short drive away from the Gold Coast and Brisbane. Alstonville High School is located within the lands of the Bundjalung nation and enjoys very strong support from our local community.
