Year established 1881
Number of students 865

Maryborough State High School (SHS) exemplifies excellence in education with an outstanding 138-year history of developing leaders and lifelong learners.

Today, Maryborough SHS offers a flexible learning environment and opportunities to engage in a variety of academic, sporting, cultural and community programs. Individualised and flexible learning pathways ensure that all students can succeed.

Our school community strives for excellence with an outstanding staff that has contributed to the lives of our students over the years and where quality teaching is a cornerstone.

Maryborough is a vibrant part of the Fraser Coast region, steeped in history and the arts. You can explore the town's stories from the past through to the present day in its many striking examples of art, sculpture, heritage buildings, memorials and museums.

We welcome you to our vibrant school community and invite you to share in our tradition and commitment to excellence.
