# The Kings Hospital School

## Location Features

The King's Hospital School is a co-educational boarding and day school located in Palmerstown, Dublin, known for its long history and strong academic tradition. Set on a spacious 80-acre campus just outside the city, it offers students excellent facilities for learning, sport, and the arts in a secure and welcoming environment.

The school emphasises academic excellence, personal growth, and character development, preparing students to become confident and responsible global citizens. With a vibrant extracurricular programme—including rugby, hockey, music, drama, debating, and community initiatives—The King's Hospital provides a balanced and enriching education in an inspiring setting. 5 - 7 day boarding options.

## Academic Facilities

Science laboratories; Computer room with 30 terminals and up-to-date software; Language laboratories; Digital facilities in all classrooms; Home economics kitchens; Careers guidance library.
